Women gladly turn to a woman for sympathy, counsel and help in their peculiar troubles.

Lydia E. Pinkham deserves the confidences showered upon her by thousands all over the world. Her "Vegetable Compound" has done more for women and given them strength to rise from physical misery than any remedy of this century.

The great cause of woman's misery is in her womb. The "Vegetable Compound" goes direct to the source, drives out disease and invigorates the entire system. Backache, fainting, despondency, indigestion, bloat-
